CONTINUATION OF COMPLAINT:**Victor CASTILLO-Cornejo****PROBABLE CAUSE STATEMENT**

On November 08, 2007, Border Patrol Agent G. Tiscareno was performing patrol duties east of the Otay Mesa, California Port of Entry. At approximately 9:30 a.m. Agent responded to a seismic intrusion device in an area known as the 70 mirror. This area is located approximately three miles east of the Otay Mesa, California Port of Entry and approximately two miles north of the United States/Mexico international boundary.

As he arrived in the area, Agent Tiscareno observed one individual near the 70 mirror. The Agent approached the individual later identified as the defendant **Victor CASTILLO-Cornejo**, and identified himself as a United States Border Patrol Agent. Agent Tiscareno then proceeded to conduct an immigration inspection. The defendant said he was citizen and national of Mexico without any immigration documents that would allow him to be or remain in the United States legally. Agent Tiscareno arrested the defendant and had him transported to the Chula Vista Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico on February 13, 2006 through San Ysidro, California**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
